McBride Clinic announces Mark Pascale, M.D. as new president

OKLAHOMA CITY – McBride Clinic is pleased to announce Mark Pascale, M.D. as its new president. Dr. Pascale joined McBride as a board-certified orthopedic surgeon in May 2001.

After graduating from the University of Florida College of Medicine, Dr. Pascale interned at Georgia Baptist Medical Center in Atlanta, Ga. He completed an orthopedic surgery residency at the Malcolm Randall VA Medical Center in Gainesville, Fl. and a sports medicine residency at Hughston Clinic in Columbus, Ga. He did his fellowship in sports medicine and arthroscopic surgery at the University of Oklahoma Department of Orthopedics.

“It is an honor to be part of an organization so committed to quality orthopedic and arthritis care in our community,” Dr. Pascale said. “I am excited about the opportunity to serve Oklahoma City in an additional capacity.”

Dr. Pascale enjoys his role as team physician for many area schools, including Oklahoma State University’s head team physician. He resides in Oklahoma City with his wife and four children.

McBride Clinic, the quality leader in orthopedic and arthritis care for over 80 years, was recently rated the best orthopedic program in Oklahoma and in the top 5 percent in the nation, according to HealthGrades®, the country’s leading hospital ranking company. The hospital also received the HealthGrades Orthopedic Surgery Excellence Award™.
